### Who We Are

Hawks Quindel is a law firm representing labor unions and individuals in employment, family, disability, workers compensation, social security, personal injury and criminal legal matters. **HQ-LAW.COM**

WE International is a Madison-based nonprofit organization addressing injustice and poverty by serving women at-risk internationally through innovative micro-financing opportunities. **WEINTERNATIONAL.ORG**

### The Event

Both Hawks Quindel and WE International are passionate about protecting the dignity and value of women's work and fighting for the rights of all workers. Hawks Quindel is proud to partner with WE International to bring you this networking and fundraiser event for the second year.

Join us on December 3, 2015 to meet with other women professionals, learn about the work of WE International, and purchase fair trade products to support women's work worldwide. Wine and hors d'oeuvres will be served.
