ABOUT US

[Hawks Quindel](#) is a law firm representing labor unions and individuals in employment, family, disability, workers compensation, social security and personal injury legal matters.

[YWCA Madison](#) provides numerous services to women in Dane County, including job training and transportation, housing and shelter, as well as programs to promote racial and gender equity.

Please join us on December 8, 2016 to meet other women professionals and support the work of YWCA Madison. We hope to see you there! RSVP by November 24, 2016 to Shelly Kennedy at skennedy@hq-law.com. Please include names of all attendees.

WOMEN EMPOWERING WOMEN

Monetary donations are encouraged and will fund scholarships to the [YWomen Lead series](#). YWomen Lead is a leadership development program for women in public, private, and non-profit careers. Local women in leadership positions in a broad spectrum of careers facilitate the eight-session workshop, which focuses on defining career goals, developing marketing and negotiating skills, and building professional connections.

In addition to monetary donations for YWomen Lead, we will be accepting donations of material goods for residents of YWCA's [housing and shelter program](#). Suggested donations include cleaning supplies, cookware, diapers, and baby wipes. You can find the complete list of material donation items [here](#).
